

# McKnight Road (Litzsinger to I-64) Traffic Study

## Notice of Public Meeting – DESIGN ALTERNATIVES

**WHEN:** Wednesday, October 30th, 2019

**TIME:** 4:30 pm – 6:30 pm with  
presentation of design alternatives at 5:00 pm

**WHERE:** Brentwood Community Center:  
2505 S. Brentwood Blvd. Room C

### BACKGROUND:

Earlier this year, the Cities of Brentwood & Ladue jointly hired CBB, traffic engineering consultants & experts in their field, to conduct a traffic study of the McKnight Road corridor between Litzsinger and I-64.

The first public meeting was held in May where residents voiced concerns and ideas for the corridor. CBB then collected data of existing traffic conditions which were then analyzed along with the public input that was provided. CBB utilized this information to develop design alternatives for the corridor.

To learn about the alternatives, please attend the public meeting on 10/30/19 from 4:30 pm – 6:30 pm with a presentation at 5:00 pm.
