RE: Storm Water Management Program
Willow Hill Stormwater Infrastructure Project (1614A)
UPCOMING PUBLIC INFORMATION MEETING OCTOBER 8th 2019

The City of Ladue continues to move forward with the implementation of the referenced project. Review of preliminary construction plans by the Metropolitan St. Louis Sewer District is complete. We are ready to begin the acquisition of easements which is the next step in the project development process.

The City will host a **Public Information Meeting** to present the current project plans, provide a status update and begin the easement acquisition process. Please join us for a meeting in the City Hall Council chamber on:

Tuesday, October 8th from 4:00-6:00 PM at Ladue City Hall, 9345 Clayton Road

An open house is planned from **4:00 to 5:00 PM** allowing time to sign-in, review current project plans and ask individual questions of the design consultant team and City staff. Starting at **5:00 PM** the design consultant, HR GREEN, will make a presentation followed by time for additional questions and answers. Available easement document packages can be obtained after the presentation.

If you have any questions or comments about the Public Information Meeting or this project, please contact the City's Storm Water Engineering Manager. Also included for reference is the design consultant's contact information.
